Dear Community Partners,

The H. B. Plant High School Band Booster Organization supports the PHS Music Department by seeking donations, financial support, and volunteers from individuals, businesses, and community organizations. We are a non-profit 501(c)3 organization that seeks to provide opportunities for students to have an enriching musical education and opportunities. 99% of the operating costs of the Band program are generated through our fundraising programs, sponsorship efforts, and student fees.

Our goal for the 2018-2019 school year is to secure sponsorships to expand and enhance the music education experience of every band member at Plant High School. In order to reach our goal, we are seeking monetary and in-kind donations beyond our traditional fees and fundraising. If you chose to donate, your generous contribution would be used for the following things:

- *Professional instruction from highly-qualified, expert members of the Band staff*
- *Instrument/equipment purchase, repair, and replacement*
- *Upgrade Electronics to be used by Marching Band and Indoor Percussion Ensemble*
- *Transportation of students and equipment to performance opportunities locally and nationally*
- *Custom Music and Visual design for the Marching Band and Indoor Percussion Ensemble*
- *Guest conductors and clinicians throughout the year*
- *Entrance fees for local and national performances*

Becoming a sponsor of the Plant High School Band is a great investment. In return for your donation, we will advertise your business or organization throughout the entire Plant High community. The attached form introduces a variety of sponsorship options and incentives.

Should you have any questions or wish to speak directly to a band representative, please contact Kathy Hill, Band Booster President, at 813-240-5736 or [planthsbandpres@gmail.com](mailto:planthsbandpres@gmail.com)

Thank you in advance for supporting music at H.B. Plant High School and your community.

Sincerely

Kathy Hill  
Booster President
